

Hello :

We would like to talk with you more about a role as a cast member for our social network, On A1A dot com. We are looking for people that want to learn about social media, help us promote the network and reach out to our target audience.

On A1A is the place for you to watch reels that have a beach vibe. We named our network after Florida State Road (SR) A1A. The Scenic Highway that runs everywhere along the east coast and on Key West.

On A1A makes it easy for everyone, to produce reels straight out of the camera to the web. Producers get an album for their collection of reels. All they need to do is just shoot a reel and text it to us.

Please feel free to reach me by text and call me at 321-704-5395. When you are in interested in joining our cast. Cast Members start at \$20.00 an hour. We are casting for roles for both on location, and at home. Our working hours are flexible. Our cast members can work on productions wherever there is an Internet Connection.

I look forward to hearing from you very soon.

Best Regards,

Michael Feravolo  
Software Design Engineer
